What is Continuing Disclosure?

Continuing disclosure consists of important information about a municipal bond that arises after the initial issuance of the bonds. This information generally reflects the financial health or operating condition of the state or local government as it changes over time, or the occurrence of specific events that can have an impact on key features of the bonds.

SEC Rule 15c2-12

Securities and Exchange Commission (SEC) Rule 15c2-12 requires dealers, when underwriting certain types of municipal securities, to ensure that the state or local government issuing the bonds enters into an agreement to provide certain information to the Municipal Securities Rulemaking Board (MSRB) about the securities on an ongoing basis. Such continuing disclosure agreements on or after February 27, 2019, for new issues generally require the following:

Annual Financial Information
- Financial information and operating data provided by state or local government or other obligated persons
- Audited financial statements for state or local government or other obligated persons, if available

- Principal and interest payment delinquencies
- Non-payment related defaults
- Unscheduled draws on debt service reserves reflecting financial difficulties
- Unscheduled draws on credit enhancements reflecting financial difficulties
- Substitution of credit or liquidity providers, or their failure to perform
- Adverse tax opinions or events affecting the tax-exempt status of the security
- Modifications to rights of security holders
- Bond calls and tender offers

**Definitions of Financial Obligation**

(i) Debt obligation, derivative instrument entered into in connection with, or

(ii) Pledged as security or a source of payment for, an existing or planned debt obligation; or

(iii) Guarantee of (i) or (iii)

The term financial obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB.

**Timeframes for Submitting Disclosures**

State or local governments or obligated persons must submit annual disclosures on or before the date specified in the continuing disclosure agreement or provide notice of failure to do so to the MSRB.

**Exemptions from Rule 15c2-12**

Continuing disclosure generally is not required for an issue if:

- The entire issue is for less than $1 million
- The bonds are sold to investors in authorized denominations of $100,000 or more to no more than 35 sophisticated investors
- The bonds are sold in authorized denominations of $100,000 minimum denominations or more and mature in nine months or less from initial issuance
- The bonds were issued prior to July 1995 (or prior to December 1, 2010 for certain “puttable” securities.)
