

Consistent with its obligation to protect investors, municipal entities and the public interest, the Municipal Securities Rulemaking Board (MSRB) provides strategic thought leadership to the municipal securities market by highlighting market-wide issues, advocating for appropriate solutions and influencing best practices to preserve the integrity of the market. The MSRB's market leadership activities may take the form of written publications or public commentary whose intent and purpose are described below.

TYPE	INTENT
<p><b>Market Advisory</b></p> 	<p>Bring public attention to municipal securities market practices, products or trends to promote dialogue and propose solutions to challenges that may have an impact on the integrity of the market</p>  <p><b>Attention</b></p>
<p><b>Reports</b></p> 	<p>Examine municipal market topics and provide data and objective analysis to assist policymakers and the public in developing a deeper understanding of the municipal securities market</p>  <p><b>Analysis</b></p>
<p><b>Issue Briefs</b></p> 	<p>Summarize market issues and developments affecting the municipal securities market to inform and educate policymakers and the public</p>  <p><b>Reference</b></p>
<p><b>Public Commentary</b></p> 	<p>Leverage the MSRB's unique perspective and expertise as the municipal market's self-regulatory organization to contribute to discussions affecting the market</p>  <p><b>Conversation</b></p>
