MSRB Extends Comment Deadline on Request for Comment on Providing Compliance Support

Overview

The Municipal Securities Rulemaking Board (MSRB) has extended the comment deadline for [MSRB Notice 2017-22](#) to February 9, 2018 to provide additional time for commenters to develop meaningful feedback to the MSRB's request for input on its approach to compliance support. The original comment period of November 16, 2017 – December 22, 2017 was intended to collect initial responses to questions to inform the MSRB as it begins a long-term strategic focus on compliance. The MSRB looks forward to thoughtful and comprehensive formal responses from commenters in February and encourages preliminary input in the interim.

Questions about this request for comment should be directed to Gail Marshall, Chief Compliance Officer, at 202-838-1500.
