

Comment on Notice 2013-06

from Richard Li, City of Milwaukee

on Thursday, March 07, 2013

Comment:

I would like the MSRB to modify EMMA to allow for 6 digit CUSIP filing of Continuing Disclosure. That would ensure that all information, including historical, is available to any bondholder with that base CUSIP. The filer can decide whether a filing is general (6 digit CUSIP, such as CAFRs) or specific (9 digit CUSIP, such as bond call notices).
